SCOPUS AUTHOR ID

You do not need to register for a Scopus Author ID; if you have a paper indexed in their database, you are automatically assigned a Scopus Author ID. Use the author search to find your Scopus Author ID. Go to Scopus website (www.scopus.com) For out campus: please access from e-journal portal (www.ukm.my/ptsl)

A) Look for Author ID

1. Search for author’s name
2. Click at your name
Author ID: 70003375391
B) Merge your ID / Request Correction

1. Click “Request author detail corrections”

2. Follow the wizard. (Please use the UKM’s email)
